Because I see this

**Convoy vehicles break through
RCMP barricades as B.C. border
crossing effectively closed**

globalnews.ca

Like is there any value of me
saying it

Hm. Tough Q. Maybe u can say
"this is what my ADM is saying
from TC personnel on the
ground. Will share more as
things develop"

But also what do they define
as no violence

Yeah lol

A truck ramming is pretty
